Scots Version

Language

The Scots Leid is an integral pairt oScotland's kenspeckle culture anheirskip. The leid comprises a wheen osindrie regional and local variants whilk are spoken throuoot the country. The Scottish Government attaches equal respeck taeilka form whilk brings its ainwalth and divairsity tae the leid.

As thirpictersshaw, Scots is aaaroon us in wirhameowerdaeinsan it is a furthie, feckfupairt o Scottish culture the day. We hear it on radio, televeision an ony place that fowk speaks tae aneanither. We read it in poetry an leiterature and see it in wittensan on signs.
